

# JOHN MART A. SERWELAS

## Web Developer

To apply my passion for technology and strong work ethic in a dynamic IT environment, where I can contribute to organizational success while continuously developing my technical skills and gaining hands-on experience.

## EXPERIENCE

- Shinkozan Corporation** February 2025 - June 2025  
**On the Job Training**  
During my On-the-Job Training, I provided technical support by troubleshooting hardware and software issues, ensuring smooth IT operations. I monitored servers daily for optimal performance and security. I developed a website for the MIS team using HTML and CSS to enhance their digital presence and practiced JavaScript for interactive features. Additionally, I encoded data using Excel and installed CCTV systems for security purposes.
- GODSHANDYWORKPRINTEES** October 2024 - December 2024  
**Full Stack Developer**  
For my capstone project, I created a web-based system with a user-friendly interface for both front-end and back-end users. Using HTML, CSS, JavaScript, PHP, MySQL, and Bootstrap, I ensured responsiveness and easy navigation. A key feature is an admin dashboard that allows efficient management and monitoring of products, including adding, editing, and tracking inventory, all designed for non-technical users.
- McDonald's SM Dasmariñas** November 2019 - February 2020  
**Crew**  
During my time at McDonald's, I maintained cleanliness in the lobby to ensure a pleasant dining experience. I quickly addressed customer requests, provided excellent service, and supported my managers with assigned tasks. In the kitchen, I assisted with food preparation and monitored inventory levels, communicating with the team to ensure timely cooking and replenishment.

## CERTIFICATES

- Shinkozan Corporation** June 2025  
**Certificate of Completion**  
Hong Chang Compound Maguyam Rd. B.O Bancal  
Carmona, Cavite
- Design Systems Made Easy: Creating Consistent Interfaces with Figma** December 2024  
**Certificate of Participation**  
Webinar via Google Meet
- SAP Business One** March 2023
